SUBJECT No. 333.

Construction of a bridge over the Vedavati river.

Messrs. B. V. Narayana Rao, Hosdurga taluk, and D. Ramanna, Chitaldrug District Board.

Summary of discussion.—The want of a bridge over the Vedavati river near Kellodu in the Hosdurga-taluk has been causing much inconvenience to the travelling public, besides interfering with traffic which is very heavy over the road. The question is being urged year after year. The construction of the bridge may be sanctioned early.

Reply of Government.—A rough estimate of the cost is awaited from the Public Works Department.

(b) The representation is a repetition of the one made in 1914. A rough estimate of the probable cost has been called for from the Chief Engineer who states that a report is still due from the Superintending Engineer.

(c) Reminders are being regularly issued No immediate further action appears necessary on this representation as the matter will be disposed of after receipt of information from the D.P.W.

A bridge across the Vedavati river on the Hosdurga-Huliyar road.

Mr. D. Ramanna, Hosdurga taluk.

Summary of Representation.—For want of a bridge across the Vedavati river near Kellodu, the travelling public are put to much inconvenience and loss. There is good traffic over this road. The question is urged year after year with the result that the District Board passes a resolution to the effect that there are no funds. The work may be kindly taken on hand, funds being given from the provincial grant which could be recouped in a few years by levying toll on the cars and cattle that pass over the bridge.

D.O. No. 101

Public Works Secretariat,

Bangalore, 13th August 1919.

Dear Sir,

With reference to your D.O. letter No.1934 dated the 5th instant regarding the estimate for the construction of a bridge across the river Vedavati on the Hosdurga-Huliyar Road I may state that no definite decision has yet been arrived at in the matter as the necessity for a bridge has not been established by statistical information, which the Executive Engineer says is still awaited from the Deputy Commissioner-

Except a few carts from the adjoining villages on weekly shandy days, it is stated that there is no important traffic on the road-

It is also reported that the question was discussed at the meeting of the Members of the Representative Assembly held on the 31st July 1919 in the District office, and the President of the District Board has promised to investigate the question further and favour this Department with his views-

As the bridge is estimated to cost about 2 lakhs of rupees, Government should be convinced of the necessity for its construction. A detailed project will be got up as soon as the Deputy Commissioner intimates the decision of the Board.

Yours sincerely,

Madanbar

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

GENERAL AND REVENUE SECRETARIAT

No. R4936 / 28

Bangalore, dated 31 X '19

From

B. Ramaswamaiya, Esq., B.A., B.L.,

Secretary to the Government of His Highness the Maharaja of Mysore

Revenue Department.

To

C. Venkata Rau, Esq., B.A.,

Deputy Commissioner, Chitaldrug.

Sir,

In inviting your attention to Representative Assembly subject Nos. 676 of 1913 and 333 of 1915 and your letter No. Ref. 1074 L%F./18-19 dated 12th August 1919 to the address of the Executive Enginaer, Chitaldrug Division re-construction of a bridge across the river at Vedavathi on the Hosadurga Huliyar road, I am directed to state that Government agree with the decision arrived at by you and to reggest you to be so good as to communicate the decision viz. that the work is not so very important or urgent as to justify a large expenditure of 2 lakhs for the purpose as the said road is of a secondary importance to the Representative Assembly members who moved the subject.

I have the honor to be,

Sir,

Your most obedient servant,

Secretary to Government,

Revenue Department.

The last clause is misplaced & disturbs road work. Revise as printed.
